

Media Communications presents a new form of High Definition entertainment

Athens, February 2010. Media Communications SA (www.mcoms.com) presents **High Definition Thematic Entertainment**, the new service that will change the meaning of in-room entertainment in hotels and resorts.

For the very first time hotels have the opportunity to offer an extended catalogue of selected thematic movies **exclusively** in **High Definition**, upgrading the quality of hotel visual entertainment services.

MCOM offers 6 basic packages and numerous combinations of thematic movies on-demand, exclusively in High Definition, for all guest tastes: **Man's world, Woman's feel, Kids and family, Travel eye, Couple delight** and **Rainbow Choice**.

Every package consists of 30 to 50 thematic movies in High Definition and a big variety of short, medium and full length movies so as to satisfy the needs and schedule of every guest.

About Media Communications SA (MCOM)

Media Communications SA (www.mcoms.com), is one of the leading and highly specialized companies in the Europe, offering innovative services and solutions for creation, management and distribution of audiovisual content through IP networks. MCOM 's product portfolio included **HOTstream**, one of the most advanced and innovative in-room information and entertainment platform for hotels. HOTstream's extensive service list includes Interactive Pay TV services, Video on Demand, Internet, email and instant messenger services on TV, high speed internet on laptop, plus new hotel Interactive TV services. MCOM has also designed and developed **MEDIAstream**, an advanced platform for IPTV, Video on Demand and online movie rental services for telecom operators and internet service providers. The solution can deliver audiovisual content to a range of devices (TVs, PCs, PDAs, mobile phones), through any IP network infrastructure (xDSL, FTTx, cable, satellite, wireless, LAN).
