

MCOM's HOTstream™ at The Hotel Show in Dubai 2010

Athens, June, 2010. Media Communications SA (MCOM) participated for the third year at The Hotel Show in Dubai, presenting the latest edition of HOTstream™ Suite (www.hotstream.eu), one of the most advanced and innovative in-room entertainment and information platforms for hotels offering:

- **HOTstream Interactive TV**, to provide hotel interactive TV services and High Definition Video on Demand to your guest rooms.
- **HOTstream IPTV**, to distribute satellite and terrestrial channels using hotel's UTP network infrastructure.
- **HOTstream Internet**, to provide wired and wireless high speed internet access for guest laptops.
- **HOTstream Signage**, to inform your guests and promote your services at the proper place and time using the monitors that are placed in public areas.
- **HD Thematic Entertainment**, with an extensive catalogue of carefully selected thematic movies exclusive in High Definition in 6 packages with more than 30 movies in each package, to satisfy every guest.

At MCOM's stand guests had the opportunity to experience live demonstrations under real hotel conditions for HOTstream, and discover the full possibilities and advantages of the luxurious and innovative platform.

About the Hotel Show, Dubai
