

Press Release

Kampala Serena luxury hotel selected MCOM's HOTstream Hospitality Suite

Athens, November 7th 2011

Kampala Serena Hotel, member of the Leading Hotels of the World and member of the prestigious Serena Hotel chain (www.serenahotels.com) selected MCOM's HOTstream Hospitality

suite (www.hotstream.eu).

Through HOTstream's Hospitality Suite, Kampala Serena upgraded significantly the already exceptional and very personalized service offering by adding the most advanced in-room entertainment solution.

From the comfort of their room, guests are having access to all hotel information and facilities, including view bill, hotel messages and Internet on TV. Moreover, guest can select to view first run Hollywood and High Definition Thematic movies from HOTstream's Video On Demand extensive and continuously updated movie library.

For the public areas of the hotel, including the hotel's meeting rooms and the International Conference Center which is located in the same area, Kampala Serena selected HOTstream Digital Signage solution to promote services and facilities, providing in parallel detailed information and directional signs for all conferences and the meetings.

Serena's Uganda flagship, the Kampala Serena Hotel is an inspirational blend of 5-star polish, pan-African panache, social style and business reliability. Ideally located at the very heart of Kampala, the hotel stands amidst 72 acres of landscaped grounds and water gardens. An oasis of cool and green, encircled by the seven hills of Kampala, this 152-room world-class hotel is the focal point of national, regional, business, political and social life.
