

Media Communications Interactive TV, IPTV and VOD solutions at Kapari Hotel.

Athens, September 2010. Kapari, the new luxury hotel at Santorini, selected Media Communications' **HOTstream** product suite (www.hotstream.eu) to create a luxury bouquet of interactive hotel services and offer multiple entertainment and information services to their guests.

With **HOTstream Interactive TV**, guests can use the television in their room and have access to tourist guides, high speed internet and hotel services such as billing update and room service orders. At the same time, the hotel promotes its services through the HD TVs in the hotel rooms, creating new marketing opportunities.

Through **HOTstream IPTV**, guests can watch all satellite and terrestrial channels in digital quality up to High Definition. For easier navigation, apart from the normal channel listing, guests can select their preferred channel based on audio language or channels genre.

Finally the **Video On Demand** service offers to the guests the opportunity to enjoy an extended movie catalogue of the most recent films from Hollywood, while the multilingual environment of MCOM's **HOTstream** product suite and the **HD Thematic** packages make the **HOTstream** experience truly unforgettable.
