

## Media Communications Interactive TV, IPTV and Signage solutions at La Marquise.

**Athens, October 2010.** Media Communications ([www.mcoms.com](http://www.mcoms.com)) has successfully installed HOTstream product suite at the luxury hotel La Marquise ([www.lamarquise.gr](http://www.lamarquise.gr)) at Rhodes. By using the user-friendly and multilingual environment of MCOM's, La Marquise has created a luxury bouquet of interactive hotel services to offer innovative entertainment and information services to their guests.

With **HOTstream Interactive TV** guests can watch on their television set movies on-demand from major studios, tourist guides and hotel channels and at the same time have access to hotel services like view bill.

Through **HOTstream IPTV**, guests can watch all satellite and terrestrial channels in digital quality up to High Definition. For easier navigation, apart from the normal channel listing, guests can select their preferred channel based on audio language or channel's genre.

La Marquise also uses **HOTstream Signage** Conference and Lobby View hotel applications to provide always up-to-date information on the conferences, services and events or to promote hotel offers.
