

Media Communications HOTstream Signage solution at Sheraton Rhodes Resort.

Athens, September 2010. The luxury hotel Sheraton Rhodes Resort has selected Media Communications' (www.mcoms.com, MCOM) **HOTstream Signage** solution to offer information services to their guests and promote in parallel the hotel's services.

In order to provide always up-to-date information to the guests at the lobby and the conference rooms, Sheraton Rhodes Resort has successfully installed the Conference and Lobby View hotel applications of the **HOTstream Signage** solution. Through these applications, the hotel offers information on the conferences, services and events and promotes the current hotel offers while at the same time the guests have access to useful information such as currency exchange and weather forecast.

MCOM's HOTstream (www.hotstream.eu) is one of the most advanced and innovative in-room information and entertainment platforms for the hospitality sector. **HOTstream** hospitality suite includes solutions for **Interactive TV, IPTV, Video On Demand, Internet** and **Digital Signage**.
